Federal Election Commission

ID Number: C00330886

Reference: July Quarterly Report (05/06/2010 – 06/30/2010)

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

1. See below for explanations on each of the excessive contributions shown on the report.
  - a. Richard Booth – This excessive portion of this contribution was refunded on 10/15/10 and reflected on the 30 Day Post General Report filed with the Commission.
  - b. Kevin Clayton – This excessive portion of this contribution was refunded on 10/15/10 and reflected on the 30 Day Post General Report filed with the Commission.
  - c. Ray Obendorf – Due to a data entry error we did not receive a notification by our database software that this donor had exceeded his limit. We have refunded the donor the excessive portion of his contribution and this will be reflected on our next filing with the Commission.
  - d. William Rose – The excessive portion of this contribution was re-attributed to a spouse and reflected on the 2010 October Quarterly Report filed with the Commission.
  - e. Thomas Sellin – The excessive portion of this contribution was re-attributed to a spouse and reflected on the 2010 October Quarterly Report filed with the Commission.
2. After checking our records we have determined that we did in fact fail to file the two 48 Hour Notices listed in your Request for Additional Information dated 4/15/2011. We are working now to improve our internal procedures in order to ensure an omission like this does not occur again. We apologize for the oversight.
3. The 48 Hour Notices that are listed in the Request for Additional Information dated 4/15/2011 should have only been filed once. The activity reflected on the 2010 July Quarterly Report is correct.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,  
Mike Crapo for US Senate
